The Deltaplex is located at 2500 Turner Ave NW.

On Friday night at the WCHA Final Five, Van Andel Institute, a biomedical research and science education facility, will be sponsoring a *Purple Community Game* to promote its grassroots fundraising program.

"*Purple Community* increases awareness about the prevalence of cancer and neurodegenerative diseases and raises funds to support groundbreaking research at Van Andel Institute in Grand Rapids," said Nikki Outhier, *Purple Community* National Programs Manager. "We're excited to be a part of the WCHA Final Five and represent this important part of our community. 100% of all donations made at the game directly benefit disease research."

## Historic MacNaughton Cup Awarded to WCHA Men's Regular Season Champion

Dating back 100 years to its original purchase in 1913, handcrafted of pure silver, standing three-feet high, and weighing more than 40 pounds, the MacNaughton Cup is the shining symbol of the Western Collegiate Hockey Association and of its long-time standing as one of college hockey's premier conferences since 1951. It is college hockey's oldest and most valuable trophy.

The MacNaughton Cup is awarded annually to the winner of the regular season championship, and as a traveling trophy, is on display throughout the course of each season at the home of the previous year's winner. Beginning in 2005-06, the WCHA also began awarding a smaller silver replica MacNaughton Cup to the regular season champion(s) each season.

The MacNaughton Cup has traveled a long and winding road since its initial purchase in 1913 by the Calumet (Michigan) and Hecla Mining Company, but officially settled into a home with the original WCHA (MCHL/WIHL) in 1951.

In 1913, James MacNaughton, then president of Calumet and Hecla, Inc., and an avid supporter of amateur ice hockey, authorized the president of the American Amateur Hockey Association to purchase a cup (he said the price didn't matter) and present it to the Association's championship team at the end of the season. The first winner was a team from the Cleveland (Ohio) Athletic Club. The MacNaughton Cup remained with the AAHA until it ceased operations in 1920.

From 1921 to 1950, the Cup was fought for by semi-pro and intermediate hockey aggregations in Michigan's Copper Country. In 1951, the cup was donated by Calumet and Hecla, Inc., through the generosity of Mr. & Mrs. Endicott R. Lovell, to the newly-founded Midwest Collegiate Hockey League, forerunner of the WCHA. Lovell, president of the company at that time and the son-in-law of James MacNaughton, was also an ardent supporter of amateur hockey.

The MCHL chose – in the original spirit – to award the trophy to its regular season champion. The MacNaughton Cup remained a part of the MCHL/WIHL until the league disbanded in March of 1958 for one year. In 1959-60, the seven original teams resumed formal competition under the name Western Collegiate Hockey Association.

The MacNaughton Cup has gone to the league's regular season winner on all but seven occasions since 1951. From 1962-65, the MacNaughton Cup was presented to the league playoff winner. In 1981-82, 1982-83 and 1983-84, the trophy left the league with Cup custodian Michigan Tech and was presented to the champion of the CCHA.
